Regional Meeting
Project Coordinator Workgroup Report

Dear Family,

The Project Coordinator Work Group met twice in December on the 19th and the 29th. We had participation from SCKA, LA, 502 and PANA areas. We discussed potential changes for the RD terms as it aligns with the tentative 3 year conference cycle and the regional events to include learning days and fundraiser dates. The next meeting will be held on February 23rd for anyone that's interested.

There were questions raised during the last regional meeting with concerns about the upcoming conference representation. I have been working with the BARCNA AD and he is on board to join the project coordinator work group to bridge the collective efforts for carrying the message and of course our collective voices.

As I understand it, Kevin D. is the designated RD with Shane from BARCNA as the alternate at the upcoming virtual conference next month on I believe February 28th voting on the 12 motions posted on NAWS.

Again as I understand it from our discussions, BARCNA AD is the delegating RD at the April conference and KRSCNA will be the alternate.

I was informed today of ATRA regional rotation discussion and I would like to extend an invitation for participation in the upcoming scheduled project coordinator workgroups in support of our first tradition.

So the question came up again as to how effective we are in the way we have tallied our votes in the past with individual members voting and groups having a singular vote. This was brought up for discussion in 2020 by the late Jackie G. and was never fully resolved for the purpose of implementing policy.

I'm proposing to the service body that I have the willingness to work on updating the physical KRSCNA policy and procedure if you are amendable to that. The intent is to have a working policy with all the updates and future changes in one place for all to utilize.

In loving service,

Debra C. Project Coordinator

KRCNA 38 REPORT

January 19, 2025

KRCNA 38 is well on its way and I think that we are on schedule to make this convention a great one. The programming committee has chosen all of the main speakers and all of the workshop speakers have been arranged except one spot. We are having a Spanish speaking workshop on Friday, which is new. We have all of our committee positions filled after a couple of trusted servants had to step down. We have a dance and a lip sync battle planned so let everyone know to pick their song and be practicing We went to the Bus Stop in Hopkinsville last night for PANA's Convention Fund Raiser. The chili and the music were on point, Aaron from Bowling Green gave an inspiring lead and we raised over \$1300 for the Convention Thank you to the activities committee for doing such a great job hosting the event! Owensboro's Fundraiser will be next, February 9th, so make your plans now to come help make that a great time. The venue in Owensboro has changed, so refer to the flyer to plug into your GPS. Please provide dates and locations for any fundraisers that the other areas are planning.

Thank you for allowing me to serve,

Tony J

OVANA report to Region

Hello Family,

This will be my last Region meeting. My service commitment was up as of December, and I have another Sunday commitment now. We did vote in an RCMA last year but I don't know if she will be able to fulfill her commitment.

OVANA does have a motion for area:

To ask Region for \$500 to add to our H&I budget. We currently have \$33 a month for our budget and have 9 weekly meetings going into hospitals and institutions. A typical literature order is for \$69.00. We are asking Region because OVANA can't increase the H&I budget. H&I budget was cut by \$100 last year to balance the Area's budget.

Thank you for letting me be of service,

Brenda E.
