KRCNA 34 Final Financial Report for the KRSCNA November 21, 2021 Business Meeting

Hi family,

Just in case something came up I waited until November the 20th to close out our account. Our last deposit to the region was made in the amount of \$ 380.64, I asked for a cashier's check and a statement showing the account is closed and have included a copy of that with this repost. We had a total of \$ 15,380.64 to give back to the region. I have saved a PDF copy of the banks running check register on my computer and can send it to the region or put it on a thumb drive along with all my other treasurer information. We only met twice on Zoom since the convention ended.

Our convention was very successful financially. I was skeptical to even have the convention with COVID still happening. Going into the convention I had hoped to be able to pay our bills and give back the Seed money the region gave us. One thing we did was we did not over price merchandise because we wanted everyone to be able to afford T-shirts, hoodies, etc. The other thing we did was we didn't order a lot of merchandise so we out of merchandise on Sunday we did not have any merchandise left over. We could have actually sold more T shirts and hoodies. The coffee cups, not so much.

I would like to personally thank everyone who attended KRCNA 34. I had heard that there were some people who ended up getting COVID in the weeks following the convention and that saddened me. That was one of my major concern with us having the convention Once again thanks for coming and I look forward to seeing everyone at KRCNA 35. The financial break down is below.

KRCNA 34 Financial Information

9-17 Deposit of	5,000.00
