I made four deposits in the past two months. The deposits totaled \$ 400.85. The Checks wrote the past two months are listed below and the total outcome is \$ 449.95, one check was for the meeting rent on Fulton Street, a CARD charge went out to the pay for the Spanish Convention basic text give away. There is also an itemized daily expense form he filled out attached with the receipts. From talking to him we will have to make some adjustments on our cost for the RD to go to the WSO conference before the next one comes around. If anyone has any expense's you can email them to me now or mail the receipts, so I have them to file. Thanks for letting me be of service.

RD Report:

Hey Folks,

I have attached a comprehensive report and summary of the WSC that I think should be helpful for all who would like to be informed of the business accomplished at the conference. There is a conference participant meeting scheduled for Saturday 25 July 2026 at 2pm eastern. So, the next cycle is underway!! As reported at our last meeting, there has been a revision of I.P. #21 which was the loner in Isolation. The new title is "Staying Clean in Isolation" and it is available already!and yes, it is fellowship approved! Also, from the conference we will be taking stages toward gender neutrality with our literature. The 1st project will be I.P. #1, "Who, What, How & Why!" Once the draft is completed, it will go out for fellowship review and approval.

To finish up the business of the conference, I have submitted my expense report, and I have some recommendations for the budget moving forward. There were some expenses that I did not foresee as well as others that I underestimated. There was not too much of a gap though considering the amount of time for the trip.

The Southern Zonal Forum will be held July 24-26, 2026, in Sherman, TX. I will not be attending in person. There will also be a Multi-Zonal Forum held October 2-4, 2026, in Wichita, KS. This will be a large event.

I think that's about all for now. I am submitting my report a little early so that everyone has an opportunity to view the conference materials. So, if you have any questions, please reach out.

Thanks, and have a great day!!

ILS,

Rodney B.

Project Coordinator:

There has been no scheduled activity since our last regional meeting. However, I appreciate the fellowship support. But in finalizing our policy for the rotation of regional events. I have slowly started editing the policy in written form with the implemented policy changes thus far. So, there's that. Our RD has provided us the information needed to start a discussion on the budget changes for that line item. Hopefully we can schedule a Zoom meeting soon for discussion of these two tabled items on the agenda that also includes our RD RDA terms. Now that the world has officially adopted a new rotation cycle, if I'm correct. And loving service to receive project coordinator.

Thanks,

Deborah
