RDA Report:

Hey Folks,

I've got an awful lot of information to share with you all. It's difficult to capture the entire experience in words, so I'll to convey as much as I think is relevant. Just know that it has been a life changing experience!!

The 1st thing I want to do is report the results of the CAR & CAT.

Motion #1 Approve the revised IP #21 Staying Clean in Isolation...

Passed 130yes, 1no, 0ab, 0pnv (99.24%)

Motion #2 To Adapt the Strategic Plan

Passed 122yes, 4no, 4ab, 1pnv 93.85%

Motion #3 To hold the World Convention every 5 years beginning in 2028.

Passed 101yes, 29no, 2ab, (After more discussion)

Motions #3a1; #3a2; #3a3; #3a4 (Amendments to the rotation of world Convention)

All failed with lack of support

Motion #4 Explore project plan for book length literature to incarcerated, on tablets

Passed 102yes, 26no, 2ab, 1pnv

Motion #5 ...implement (AI) interpretation solutions for WSC meeting

Failed 24yes, 102no, 5ab, 0anv

Motions #5a1; 5a2 (Amendments to Motion 5)

All failed with lack of support

Motions #6-#22 all from the Conference Approval Track all

During the presentation of these motions, the facilitator skipped around a bit, and I was of course concerned why they didn't just go through them in order. There apparently had already been a plan, because of the initial straw polls that some would need more time for discussion than others. In addition, some would be discussed in small groups, delegates and alternates alike, for even deeper discussion. Most were simply discussion topics, or approval to begin project planning.

Some to Note:

Motion #8 To approve a project plan for new recovery information pamphlets.

Passed 135yes, 5no, 6, ab, 0pnv

Motion #9 To approve a project plan for revising existing recovery informational pamphlets.

133yes, 8no, 5ab, 0pnv

Motion #12 to approve the project plan for safety and belonging/gender neutral language.

After much discussion, this motion was approved with 80% consensus.

Motion #13 To approve a project plan for generational & cultural diversity

Passed 122yes, 11no, 10ab, 3pnv

Motion #18 To Seat Region 10 Brazil

Passed 127yes, 14no, 23ab

Elections

There were elections for 10 new members of the World Board. There were 12 potential candidates nominated. All the candidates seemed solid, but I believe there was a push to make the Board continue to reflect the fellowship as a whole. More youth, gender equity and diversity.

I've got scrolls and scrolls of more stuff to talk about related to my participation, the people I met, and the stories attached to that, the time I enjoyed after each day's work, as well as the conference itself. I think I would bore you to tears with the volume of information. I am open for conversations with anyone interested in finding out more to call me and let's chat.

I will be submitting all receipts for expenses as well.

Thank you all for entrusting me with this task! My hope was to honor my region with my participation at the conference. It was my privilege to carry your conscience.

In Loving Service!!

Rodney B.

LA:

Hello Family,

All in all, the Louisville area is doing well. We have almost 40 Home groups and have good participation from them. 35 Home Groups have voting status and 29 of them showed up to Area this month. We have \$14,272 in the bank account after the prudent reserve is accounted for. We only have 2 vacant service positions currently, and they are Activities Chair and RCMA.

Our new PR chair is kicking butt. He has almost doubled our literature rack locations, and we now have them in 26 locations. He is working with WLKY, and we will have ads running soon. Our area has also voted in a motion to have bus ads for 4-6 weeks around the city to help carry the message to the still suffering addicts.

LACNA36 is doing well and has acquired this year's convention location with that being the Galt House. I am being told the convention dates are January 15th- the 17th. H&I is struggling to get people into service so we can cover all the locations we are going into, but they have made a change to let people attend the monthly H&I meetings virtually, to hopefully get more people access and involvement. Our new P&P chair has already updated our P&P to reflect any changes that have voted on since our last P&P chairs term ended.

One of our Home groups has put forth motion 5B26 to have our Region send \$10,000 to WSO and it was seconded. I will have the results from the Home Groups at the next Regional Meeting. I speculate that this motion will pass so this is just to give you all a heads up so you all can talk to your Areas about the pros and cons of this motion.

Javier showed up to let our area know about the Spanish Speaking Convention to be held July 22nd- the 26th. I heard there is a flyer out there. It sounds like it is going to be a great event, and our Region is going to be broadening the message which is wonderful. Thank You for letting me be of service.
